

Belgian Apples & Pears

Pacbelimex is now offering Apples and Pears straight from the growers guaranteeing you the best quality and supply conditions in the marketplace

Quality Products and Processes

The apple and pear market has been through tremendous changes, aiming to offer you the best quality, Pacbelimex has chosen to work directly with the growers. This enables us to make clients' needs and requirements meet growers' offers and techniques. Thus it is possible to choose specific items such as logistics and packaging: At the point of packaging, the growers use the customer tailored specific packaging in order to avoid pointless handling ! On top of this, all fruits are Globalgap certified which guarantees healthy fruit and 100% traceability!
